### Tru-Test on board as a sponsor

The Elders Balmoral Sire Evaluation Group has welcomed Tru-Test as sponsor of the group. The committee has recently agreed purchased a package of weighing and scanning equipment through Tru-Test and as part of those negotiations, the company has become a sponsor.

The new package includes:

XR5000 indicator (*pictured right*)

MP600 Loadbars

Prattley 3 way manual crate (*pictured top right*) and additional isolation frame

Bluetooth Printer

The new equipment will be put to use when the group undertakes its next round of activities in early 2016.
